They're Gone!

They're gone!

A large shriek rings throughout the whole entire night." They're gone they're gone!" a feminine voice cries. 5 Gundam pilots and one princess run into the room the scream has come from to find Dorothy Catalonia crying and covering her face. (I have no idea why they are all in the same house.uh slumber party or something..)Wufei speaks first: what the hell are you screaming about woman!"

They're gone they're gone! cries Dorothy. What's gone Dorothy? asks Relena. Dorothy slowly uncovers her face "Holy Crap!" burst out Duo "Her eyebrows are gone!!" Quatre usually always the sensitive one cant help but laugh he covers his mouth trying to stifle it. Dorothy glares at Quatre like she is going to kill him. Heero and Trowa both just raise an amused eyebrow, then realize Dorothy can't do that, so they both start raising their eyebrows up and down, over and over again. "Pitiful woman" says Wufei as he storms off.

Duo whispers to Quatre "Psst.. hey, she looks pretty hot without those Vulcan looking eyebrows huh?" Quatre tries to keep a straight face but can't and ends up running out of the room laughter bouncing off the hallway walls.

Whoever did this to me. Dorothy screams: I"LL GET YOU FOR THIS!!!!!! YOU WONT ESCAPE, MY WRATH!!!!!!!!!!!!!! Trowa falls over all the eyebrow raising making him dizzy, but Heero keeps going strong. Duo meanwhile starts daydreaming of him and an eyebrowless Dorothy running through a grass field towards one another. "Dorothy calm down we'll find out who did this." soothes Relena. Heero stops eyebrow raising and looks as the door opens and Quatre steps into the room in a Sherlock Holmes get up, bubble pipe and all." I believe it was Mr. Barton in the bedroom with the razor!" "What?" Trowa gets up and pimp

slaps Quatre. Relena sighing just walks out of the room. Duo deep in his daydream, runs with his arms out and smacks into a wall. Quatre runs away crying after Trowa pimp slapped him. Trowa looks at Dorothy and says "well at least you learned to cry" and walks out as well.

Relena walks back into the room and looks at Heero, "you coming to bed Heero"? Mission...Accepted. He then walks out of the room after Relena. Who after they are out of a sight holds up a container of hair removal cream. "Mission Accomplished" she smiles. Heero grins, "that's my girl!"

The End

Ok I was really bored so go easy on this ok?
